BETRAYED BY FINGER PRINTS

Two Burgiars Convicted of Robbing Augustus B. Field's Country Home.
Tuxedo Park, N. Y., April 2.—With finger prints as evidence, a Rockland county jury before Judge McCanley, at New City, yesterday found Frank Brown and James Card guilty of the robbery last November of the summer residence of Augustus B. Field, at Sloatsburg, N. Y., a wealthy New Yorker and a member of the Tuxedo colony.
Clothing, silverware and bric-a-brace to the amount of several hundred dollars were stolen. Captain Bush, of the Tuxedo police, was called in by Mr. Field, and through a description of the stolen articles Brown and Card were Field, and through a description of the stolen articles Brown and Card were arrested by the Newark, N. J., police.

Captain Bush visited the Field residence the day following the robbery, and noticing the numerous finger prints on the glass bottle and on broken windows, collected a good many specimens of the prints. He submitted them to the Newark police. Charles E. Schwartz, who has charge of this expecimens of each of the two men arrested and submitted them at the trial this week. They were found to correspond with the specimens taken by Bush, Brown, upon hearing this evidence, pleaded guilty, and Card, after a trial lasting four days, was found guilty. Clearly Define Offenses.
Chicago, April 2.—Demurrers filed by the indicted meat packers before Judge Carpenter in the United States District Court set up the contention that the Sherman act of 1830, under which all monopoly suits are brought in the United States District Curie. The demurrers say:

Rout Follows an Orgy.

Chihuahua, Mexico, April 2.—Thirtyfour rebels were killed and scores were
wounded in a clash between a detachment of 350 Federal soldiers and 150
insurrectos at Aldama Friday night.

The insurrectos are said to have been
shot down in a running fight following
a surprise attack by the Federals.
Diaz's soldiers say they lost only four
men killed, two of whom were lieutenalts who led the chase.

The rout followed an orgy which the
insurrectos staged after they had
marched into Aldama without resistsince early on Friday. Not anticipating
attack, their officers issued invitations
to a dance, and then began the killing
of twenty head of cattle, announcing
that they were preparing the beef for
the supper of 1,600 rebels encamped
south of Chihuahua.

At the dance, both the rebel hosts
and their guests drank heavily, and

El Paso, Tex., April 2.—Revivals of peace rumors were started to-night at the arrival of Francisco I. Madero, Sr., and Alfronso Madero, father and brother to the Mexican insurrecto President; of Ruquo Estrada, a lawyer, of Mexico City, and of Rafael Hernandez. They came from San Antonio.

To reporters the two Maderos refused to make any statements. The senior Madero said he had not seen his son Francisco since the son left San Antonio three months or more ago.

Tactical Problems.

San Antonio, Texas, April 2.—Senior army officers are unofficially discussing opportunities offered by the present mobilization to work out plans for the tactical reorganization of the army. Though nearly a month has clapsed since the mobilization was ordered, only 11,000 troops, 2,000 of whom are recruits, have been assembled. A division at war strength numbers 19,850 officers, men and civilian teamsters. To bring the present force up to war strength would call for the enlist. The absorption of so many "rook."
